Q: Who is this workshop for?

A: For those who recognize there is a problem, and want to be part of the solution.

LIMITED TO 40 PARTICIPANTS

OUTCOMES

- Leave with answers to the question: What Is Mine To Do?
- Improve how to stay in difficult conversations on race
- Experience the impact of racism through the eyes of others

TOPICS

- How to manage shutting down, defensiveness and certitude (particularly for white participants)
- What it means to follow the leadership of people of color
- New neuroscience reveals how to outmaneuver old beliefs

WHAT'S NOT COVERED

- No debating current events
- No convincing others of your point of view

WHAT MAKES THIS WORKSHOP UNIQUE

- NOT a webinar. An interactive experience with small group breakouts
- Strikes the balance between making internal shifts and taking action
